

Palma del Mar V

KAYAK, BOARDS AND SMALL WATERCRAFT PERMIT APPLICATION

All watercraft (kayaks, board for surfing, windsurfing, kiteboarding, etc.; canoes and other small watercraft) must be registered and with a permit attached to the craft for identification. Decals should be affixed to the sides of kayaks facing outward from the center of the rack so that they can be easily read by someone standing on the property. Decals for boards, canoes, and other watercraft should be affixed near either the toe or heel of boards or the bow or stern of other watercraft. Watercraft will be stored in designated areas only on the assigned rack. The Registration fee is \$50 for each watercraft.

The Association assumes no liability for your registered craft. Owners need to properly lock and protect their craft from theft and bad weather. Crafts that may accumulate water must be stored so rainwater doesn't accumulate inside the craft.

The annual deadline for re-registration is June 1. Registrations that have not been renewed by July 1 of each year may result in the removal and disposal of these watercraft.
